**In Attendance:**

Lisa Medynski, Kimberly Wasyleski, Janelle Hittel, Janice Poellot, Michelle Lafferty, Kiona Enders, Amy Da Costa, Monica Rigoni, Alyson Worboys, Shannon Bryne, Mat George, Paul Sherman, Julie Stevens and Raymond Raj (School Trustee).

**1. Welcome and Introduction**

**2. Approval of Minutes-** Motion to accept the May meeting minutes by Amy Da Costa. Seconded by Kiona Enders. All in favor. Carried unanimously.

**3. Trustee Report- Raymond Raj**

- Parent Concerns need to go through the proper channel  
Principal, Superintendent, School Board Trustees
- All schools in the school district and treated the same.
- Always good to have more than one person for elected positions if there is one.

**4. Principal's Report – Janelle Hittel**

- Letter form KPF has been sent to the Board Office
- They will re-evaluate the numbers in September but based on the current numbers the 10 divisions stand.
- Huge number of staff leaving but will have:  
1 bilingual literacy support worker  
1 literacy support worker  
2 First Nations support workers
- KPF voiced their concerns:
  - Have not received any conformation that the School Board has received their letter
  - They have asked to present at the next School Board Meeting
  - Kindergarten is needed to get into the French Program so if they are not allowing any new kindergartens in then it will affect their numbers throughout the years.
  - The large grade gap - Gr 3-6 in the same division.

Janelle Hittel understands KPF's concerns but the school is only allowed to have 10 divisions. So currently the best possible solution for the whole school is to have the divisions set up this way\.

**5. President's Report- Kimberly Wasyleski**

This report reflects what we achieved for the entire school year:

- In the matter with discrepancies between the ledgers and bank statement all I can say is that we have continued to check in with the RCMP and have been assured that it is still under investigation with the proper authorities and we will keep all informed as more information becomes available.

**President's Report Cont.**

- We only had one major fundraiser (Dielman's) and it was well received by our PAC parents and I hope that we are able to do another one in the new school year.
- Subway orders continued throughout the school year and we had about 30% of the students participating. I would like to thank my volunteers Amy, Christine, Lisa and our newest volunteer Kiona for their commitment of time and effort to make this a success.
- Sharmin has continued to volunteer to do the treat days for the entire school year, which is greatly appreciated by both the PAC and the students.
- We hosted one event this year, which was the family Christmas Dance. I received very good feedback about it and would be interested in our PAC hosting another event like this in the new school year.
- I with the help of Kiona and Lisa worked very hard to update the Kildala PAC Constitution and Bylaws and after your approval they have been sent on to the School District. We have yet to hear anything back.
- Even with all the purchases we have made for the school this year we still have money left over in the general and gaming account, as we did not have any specific fundraising goal.

**6. Treasurer's Report- Janice Poellet**

General Account \$8928.72

Gaming Account \$1917.49

Playground Account \$4.42

- Ledgers attached.

**7. DPAC Report- Linda Campbell – unable to attend**

**8. Kitimat Parents for French – Susan Souryadouangphon- unable to attend**

**Monica Rigoni and Julie Stevens presenting**

- KPF are having more meetings and communication with parents
- Getting their paperwork submitted to Vancouver again.
- They do scholarships for Gr 12 students
- Get their funding through grants
- They are working with AFNO
- Trying to get French integrated better in the high school level e.g. At year end awards are give by category in English and French instead for all English awards then all French.
- Working to get the French divisions changes as they have great concerns about the Gr. 3-6 division. Plus the possible cap/limit for kindergarten students coming into the school.
