Week 5 ACTIVITY: Find 3 (preferably glass, and must be the same size) water cups in your home. Add water to each of the glasses to make three distinct sounds. Can you make the song Hot Cross Buns with these three glasses? Week 5 *Pro Tip – More water in the glass will produce a lower sound, less water in the glass will produce a higher sound *If you happen to have 4 water glasses same size – can you make Mary Had A Little Lamb? Another song you know? Video your results! I would love to hear these! ACTIVITY: Get lyrically creative! Using a song that you already know the tune, and lyrics to – create lyrics (words) that are unique to you. This can be about your time at home – or any other school appropriate topic. Write down the name of the song you are following and the lyrics to your new song. Week 6 Ex. Tune: Hot Cross Buns New Version – Lyrics by Ms. Preyser I/ove Spring I/ove Spring I/ove Spring	Activity
