UPCOMING EVENTS

Mrs. Metz's grade 2/3 class is fundraising for local charities. Our students have been hard at work creating beautiful pottery planters, and planting cuttings for your purchasing pleasure. Each planter is lovingly handmade and decorated by our amazing grade 2/3 artists. The auction opens on February 9th, and winners will be announced on February 13th

Our students will be donating the proceeds to the Kitimat Food Bank, Kitimat Humane Society, Tamitik Status of Women, Kitimat General Hospital, and K.U.T.E. Please come in and place a bid on one of these beautiful and unique works of art and help support our local charities.

ROBOTICS CLUB

Some of our students took part in the Robotics competition at MEMSS and came out winners!

Congratulations to Hannah Metz, Morgan Riley, Sophia Raposo, and Tanner Thompson. Way to go!

Special thanks to Mrs. Striker for all of your time and support!

FRENCH IMMERSION WEEK FEBRUARY 4TH - 10TH

Thank you to Wills Jams for the great bi-lingual performance, it was lots of fun!

Kindergarten, Grade 1 to 12 and Strong Start Registration 2024/2025

In preparation for the 2024-2025 school year, the Board of Education is seeking the cooperation of parents/caregivers in registering new students for the StrongStart Early Learning Program, Kindergarten and Grade 1 to 12 for the upcoming school year (2024-2025) in Coast Mountains School District.

It is important that parents/caregivers take note of the specific registration deadlines and procedures.

A general overview for the information of parents/caregivers:

The Strong Start Program provides parent/caregiver participation play and a learning program for children 0 to 5 years of age.

All School District 82 elementary schools offer full day Kindergarten for our youngest learners. To register, children must turn five years of age by December 31 in the same calendar year that they begin school. Registration for Kindergarten takes place from January 16 to February 23, 2024.

The Cross Boundary procedure for Kindergarten to Grade 12 is detailed for parents/caregivers interested in an out-of-catchment area school for their child to attend.

Students who opt for French Immersion usually enter the program in Kindergarten and continue their French studies through to grade twelve. In Grade 12, students receive a 'Double Dogwood' (a bilingual graduation certificate). Students may also begin the program in Grade 1.
