Esme Hubick in Ms. Cobbett's Kindergarten class was Fire Chief for the Day on November 17th! Esme signed some important documents and had lunch with our Mayor Phil Germuth and Fire Chief Trent Bossence. Way to go Esme!

Kitimat Hamper Appeal

Christmas will soon be upon us, and the Kitimat Christmas Hamper Appeal is in the process of gearing up for our annual campaign. In the past our school has been most generous in supporting this appeal and in 2022 Kitimatians donated over \$91,524 allowing us to generously fill all our hampers and continue assisting the less fortunate throughout 2023.

We would appreciate having all food/gift donations by Friday, December 8th, in order to have them sorted and wrapped for packing. If we receive your donations after December 14th they will be used at the Food Bank to fill any late hampers.

We are requesting that gifts be left unwrapped as our Toy/Gift Committee will handle this job and enable us to see what gifts we have for what age groups. We would especially appreciate receiving gifts for preteens and teens - gift certificates from the various merchants in town are ideal.

The staff at Kildala School would like to wish all of our families a Very Merry Christmas and a Happy New Year!

This caramel corn is so easy to make and it tastes fantastic. It makes the absolute perfect snack or gift for the holidays!

PREP TIME

15 MINUTES

COOK TIME

1 hour

TOTAL TIME

1 hour 15 minutes

INGREDIENTS

1 cup popcorn kernels

1 cup unsalted butter

2 cups brown sugar

1/2 cup corn syrup

2 teaspoons salt

1/2 teaspoon baking soda

1 teaspoon vanilla

INSTRUCTIONS

Preheat the oven to 250 degrees F.

Pop the popcorn however you and pick through it to remove any un-popped kernels. Put it in a large roasting pan and place it in the oven to keep it warm while you prepare the caramel.

Line two baking sheets with parchment paper and set aside.

In a large saucepan, over medium heat, combine the butter, brown sugar, corn syrup and salt.

Bring the mixture to a boil, stirring constantly with a silicone spatula. Boil for 5 minutes, stirring, then remove the mixture from the heat.

Stir in the baking soda and vanilla.

Take the popcorn from the oven and pour the caramel over top of the popcorn.

Stir the popcorn to coat it all with the caramel and spread it on the two prepared cookie sheets.

Bake the popcorn for 1 hour, stirring well every 15 minutes.

Remove the baking sheets from the oven and spread the popcorn out on wax paper to cool, breaking the pieces apart as it cools off enough to handle.

Store in an airtight container at room temperature.
