

BEAR VALLEY SCHOOL

STEWART, B.C.

Primary Supply List

We will be using a class supply method for primary classes again (Kindergarten / Grades 1-3) this year. It has proved to be very successful. Students will have what they need to do their work and waste of supplies will be cut to a minimum.

Class sets of supplies will be purchased by the school and replenished when necessary throughout the year.

Parents will be responsible for one pair of proper inside running shoes with non-marking soles for class and gym along with a box of Kleenex.

Supply cost for K/1/2 students is \$30.00

BEAR VALLEY SCHOOL
